Dr. Daniel J. Reed
Assistant Archivist for Presidential Libraries
Room 104, National Archives and Records Service
Washington, D. C. 20408

Dear Dr. Reed:

The attached list and accompanying seven boxes are CIA Transmittal No. 1 to the Lyndon Baines Johnson Library through your office. The list details the contents of the seven boxes which include 368 reels of 16 millimeter microfilm containing Foreign Broadcast Information Service Daily Reports and Analyses for the period of November 1963 to January 1969.

These reports are unclassified and have no specific restrictions as to access and use. Some of the Analyses have the defense classification of Confidential and must be handled in accordance with related defense controls and restrictions.

This collection was selected by Officers of the FBIS Components under the direction of [redacted] specifically for this Presidential Library deposit. Your acknowledgement of the receipt of this transmittal will be appreciated.
